Authentic Mountain Lodge Ambiance

This is the area's premier steakhouse and was built with sensory perfection in mind. Not only will it satisfy your taste buds, but the authenticity and warmth of the lodge will make you feel like you're dining in your own secluded mountain retreat.

In the afternoon, the lodge provides you with unsurpassed views of the lake as the sun sets. Fireplaces give the lodge an inviting glow as succulent aromas from our award winning kitchen drift through the dining rooms.

In the evenings, candlelight dances off the pine ceiling and beams to create a relaxed dining experience you'll have to experience for yourself
